

HKUST Master of Accounting Program (MSAC)

Exclusive Early Admissions

for Intake 2027-28

Target Students: Year 3 students of Lingnan College, Sun Yat-sen University, who are interested in the [HKUST Master of Accounting Program \(MSAC\)](#).

Application Route: The early admission applications are accepted by nomination only through Lingnan College.

Nomination Deadline: 15 June 2026

Highlights of the Early Admission Scheme

- **Priority Review:** Nominated applications will be reviewed before the regular admissions cycle.
- **Guaranteed Interview:** Nominated students will be invited to an individual interview conducted in English in June-July 2026.
- **Early Admission Result:** Applicants will receive their admission result by email notification within two working days after the interview.
- **Priority Scholarship Consideration:** Early applicants will receive priority consideration for scholarship opportunities.
- **Advance Planning:** Early admission allows students to plan ahead for their academic and professional development.

Application Materials Required

1. Latest academic transcript in English
2. Curriculum vitae (CV), including telephone number, email address, and a personal photo
3. A list of awards and/or internship experience (please fill in attachments 1&2)
4. A soft copy of the applicant's official identity card (身份證) or passport (護照) for identity verification

Remarks: TOEFL or IELTS scores are not required at the early admission stage.

Timeline for reference

- **May- 14 June 2026:** Interested students should submit the required documents to Lingnan College by 14 Jun 2026.
- **15 June 2026:** Lingnan College submits nominations to HKUST MSAC Program Office.
- **Late June-July 2026:** Shortlisted applicants attend online interviews and normally receive their admission result within two working days.
- **September-October 2026:** Successful applicants submit their formal application through the HKUST Online Admission System and email the required documents to msac@ust.hk. The official offer will be issued through the system within three weeks after submission.
